CCCM's Board of Elders presents Pastor Chuck with his birthday cake along with three books of remembrance. These books contain pictures and birthday wishes from different Calvary Chapels all over the world to highlight Chuck's fifty years of ministry.

The children from the Wednesday night first grade class carried banners as they walked toward the pulpit singing, "The Lord Bless Thee", the time-honored song led a cappella by Pastor Chuck after each Sunday service.

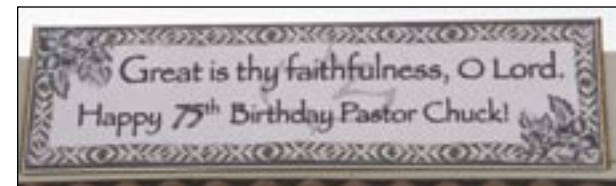

Board Member Joe Dyer expresses the appreciation that all of us have felt for the many years of ministry blessed by the Lord.

Knowing Pastor Chuck's love of classic, restored cars, a long-time attendee of CCCM lent his 1946 Ford Woodie for the evening's celebration.

A banner on the church heralded the special day.

On Wednesday, June 26, 2002, the congregation of Calvary Chapel Costa Mesa, along with family and friends, came together to celebrate Pastor Chuck's 75th birthday. The night began with a message from Acts 20, verses 13-20, entitled the Heart of a Pastor, and as soon as Chuck lifted his head from the ending prayer, the surprise celebration commenced.
