

# REVIEWS

Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things. Philippians 4:8

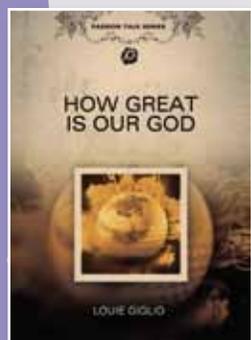

## Pleasing God

By Kay Smith

ISBN: 978-1-59751-085-1

Journal: 978-1-59751-086-8

Kay Smith, wife of Pastor Chuck, exhorts and encourages women to think of God first and to live with His pleasure uppermost in their minds. Candid, humorous, firm, but also compassionate—Kay reveals the secret to a simplified life, living it as a fragrant offering to God. Learn how to put sin in its place, yield to the Holy Spirit, praise God through trials, and offer Him even the smallest part of your life as an act of worship. A journal is also available with questions and assignments given by Kay that reinforce the teachings in this book. Paperback, 288 pages; Spiral, 100 pages.

## How Great Is Our God: DVD

By Louie Giglio

ISBN: 509-9-95211-819-7

During a recent Chris Tomlin Passion tour, Passion conference founder Louie Giglio delivered a presentation, demonstrating on screen the miracle of our universe as well as the DNA of the protein that holds our bodies together. This DVD, useful as a witnessing tool and an encouragement to Christians, includes his message along with a bonus audio CD of specially selected songs that complement the message.

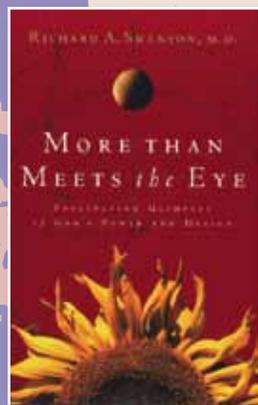

## If Animals Could Talk

By Dr. Werner Gitt

ISBN: 978-0-89051-460-3

Dr. Werner Gitt, one of the foremost creationist speakers in the world, uses his scientific expertise to show the unique design of some of God's creations. Told in simple language from the perspective of the animals being described, it clearly shows the impossibility of life without design. Paperback, 144 pages.

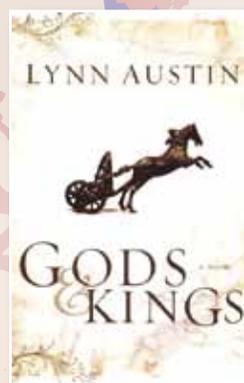

## More Than Meets the Eye

By Richard A. Swenson, M.D.

ISBN: 978-1-57683-069-7

Drawing on his background in medicine and natural sciences, physician and physicist Dr. Swenson examines the wonders of creation and explains how they reveal a majestic God whose mastery of detail is evident everywhere—from the breathtaking complexity of human cells to the grandeur of the cosmos. With evidence from both science and Scripture, Swenson helps us to see ourselves as God sees us—treasured creations with whom He desires an intimate relationship. Paperback, 224 pages.

## Gods & Kings

By Lynn Austin

ISBN: 978-0-76422-989-3

This work of Old Testament historical fiction provides an insightful look at Ahaz and Hezekiah, two Hebrew descendants of King David. *Gods & Kings* follows the lives of Ahaz, who offered human sacrifices to an idol, and his son Hezekiah, who implemented religious revival and a return to God. Book 1 of Lynn Austin's Chronicles of the Kings series brings the biblical story to life in this well-researched, fictionalized account of two of Judah's kings. Paperback, 320 pages.
