## Second live-streamed Harvest America event to be held in September 2013

Story by Debra Smith

“Can you change your life? Answer: No. You can’t change your life any more than a drowning person can save himself,” announced Greg Laurie, live-streamed via the Internet in August 2012. “Can God change your life? Absolutely. He can change you right now if you turn from your sin and put your faith in Him,” continued Greg, an evangelist who also pastors Harvest Christian Fellowship in Riverside, CA.

During this past summer’s Harvest America, 15,472 people made professions of faith in

Christ. The Gospel was streamed around the world, and believers hosted more than 2,400 showings at churches, homes, and other venues. Now the ministry is planning a similar event. Scheduled for September 28 and 29, the rally will be streamed from the Wells Fargo Center in Philadelphia, PA. By registering on the event website, churches, families, individuals, and groups can reserve a showing—thereby enabling Harvest organizers to ensure enough bandwidth is reserved. Registered hosts also will be given access to a planning guide and promotional

resources. Many churches schedule prayer counselors for the event; this and other tips are included in the preparation guide. 🙏

*“And I [Jesus], if I am lifted up from the earth, will draw all peoples to Myself.”*

## GI Bill Approves CCBC Europe

Calvary Chapel Bible College Europe (CCBCE) in Vajta, Hungary, has recently been approved by the U.S. Department of Veterans Affairs as an institution of higher learning. This makes it possible for former

military personnel to attend the school via the GI Bill and pursue accredited Bachelor’s degrees in Theology. For more information and instructions about how to apply for these benefits, email [ccbce@ccbce.com](mailto:ccbce@ccbce.com).
