

PRAISE & PRAYER

All full-time Calvary Chapel missionaries living outside the U.S. may submit prayer requests to keep the Body of Christ informed about their work around the world and to be covered in prayer. Their condensed prayer requests are listed below.

Please submit requests to Jim Hall at: jim@calvarymagazine.org

Please submit prayer requests for the next issue **no later than June 1**. Please keep them brief (25 words or less); include the missionaries' names, ministry, city, and country. Focus on the missionaries' prayer needs, outreaches, and praises. Go to www.calvarymagazine.org for an extended list of prayer requests that includes stateside-based missions.

Notice: We recently lost a database of Calvary Chapel missionaries. We are in the process of rebuilding it, but there are still many missionaries we have not been able to contact. If your requests are missing from this edition of *Praise & Prayer*, please resubmit your information to us so that we can be sure to include you next time.
